

English Now! Online Private Lessons: Meeting You Where You Are

Our Personalized Approach Goes Beyond the Classroom. English Now! Online is an option for students who want to extend their classroom experience with private lessons from the convenience of their home or office.

Who takes English Now! Online Private Lessons?

English Now! Online Private Lessons are ideal for our alumni who are travelling or returning to their home countries, our Conversation students who would like additional one-on-one time with a teacher, and our Parent Talk students who would like to learn at home while their babies sleep.

How is an English Now! Online Private Lesson structured and what is the learning focus?

Online Private Lessons offer the same unique and personalized approach that makes English Now! a special place to learn English. Each session will be engaging and interactive. Lessons are personalized to emphasize the speaking, listening and writing skills that are most important to each student. Students who take Online Private Lessons have a variety of goals, including: conversational or professional English, presentation skills, pronunciation and intonation, and grammar practice. TOEIC test preparation is also possible with Online Private Lessons. Each online lesson is a 50-minute tutorial.

What You Will Need

To take your online classes, you will need (1) a desktop or laptop computer with a camera, tablet, or even a smartphone; (2) high-speed internet access to use with Skype; (3) headphones or earbuds for privacy (optional).

Schedule and Tuition

- You will schedule a weekly online meeting at a convenient time for you. Online lessons are 50 minutes long, and tuition is \$40/session. Students must enroll for a minimum of 10 online sessions.
- New students will also pay a one-time \$40 registration fee. Books and materials for specialized lessons, such as TOEIC preparation, are billed at the cost to the school.
